**Willow Springs Raceway, Rosamond CA**

**January 22-23, 2011**

Please join AROSC Willow Springs Raceway on January 22-23, 2011 for our first Time Trial/Time Attack, High Performance Driving Education, and Race of the new year! The "big" track at Willow Spring is a terrific track and a great driving experience, and the the cool weather will be good for maximum horsepower!

***NEW RUN GROUPS! - We have changed our run groups and vehicle safety requirements to provide more fun, and to allow cars in street trim to experience the thrill of getting your car out on the track!***

- **DE/Solo:** For relatively new drivers, passing with point-by only in certain straight sections of track. Stock seat belts OK.
- **Point-By:** For drivers with more experience, passing anywhere on the track with a point-by. Stock seat belts OK for 2000 & newer cars unless engine mods or race tires (see Entry form, page 2 for more details).
- **Open Passing:** For very experienced drivers & faster cars, passing anywhere on the track with no point-by required. 5 or 6 point harnesses
- **Race Group:** Wheel to wheel racing, typical racing equipment required

**Lunchtime Intro Group** - We also be conducting our lunchtime Intro Group at this event. Never been on the track before? Got a real nice car and you just want to experience driving it on a race course? The Intro Group is perfect for you! You'll get about an hour of classroom time, then 30-45 minutes on the track following an instructor, all for only \$30. You can do it both days for \$50.
