

AROSC HPDE, Time Trials, Race & Enduro

Buttonwillow Raceway, May 14-15, 2011

Please join AROSC at Buttonwillow Raceway on the weekend of May 14-15, 2011 for our next Time Trial/Time Attack, High Performance Driving Education, Race and our annual 2-hour Endurance race! Buttonwillow is a great track, with lots of twists and turns, and great accommodations for friends and family. We will be running the [full track](#), with the Bus Stop configuration on the backside to even out the competition.

NEW RUN GROUPS!

We have changed our run groups and vehicle safety requirements to provide more fun, and allow those with cars in street trim to experience the thrill of getting your car out on the track!

- **Point-By:** For drivers with more experience, passing anywhere on the track with a point-by. Stock seat belts OK for 2000 & newer cars unless engine mods or race tires (see Entry form, page 2 for more details).
- **Open Passing:** For very experienced drivers & faster cars, passing anywhere on the track with no point-by required. 5 or 6 point harnesses required.
- **Race Group:** Wheel to wheel racing, typical racing equipment required.
- **2 Hour Enduro:** For racer only. Saturday from 4 PM to 6 PM. Entry in the Enduro includes one qualifying session, by lap time, on Saturday afternoon. Click here for full [details and rules](#) .
